## ALLERGEN SHEET

If you have other food allergies or want to see a complete list of ingredients that contain gluten, please refer to our allergen sheet.

Before placing your order, let us know if a person in your party has a food allergy, so we can make arrangements to best accommodate your needs. Our kitchen staff has been trained on safe preparation of gluten-free menu items in order to prevent cross-contamination. When a gluten-free item is ordered, the assigned chef leaves the general preparation area, washes his/her hands, puts on fresh gloves and prepares the gluten-free item in a designated area. Our gluten-free dough is prepared, cooked and served in a pie pan to ensure it doesn't come in direct contact with the oven surface. Please note that we work with our staff and vendors to remain current on the composition of our ingredients, but foods containing wheat, milk, soy, tree nuts, peanuts and seeds are prepared in our kitchens and cross-contamination may occur. **A complete list of allergens used in Brixx menu items is available upon request. Nutritional information is available upon request and online.**
